FROM Nagoya Chubu (Centrair) Int'l Airport TO Hotel Mielparque Nagoya

-For the Meitetsu Line from/to the Airport, the fastest and most comfortable (seat guaranteed) train is the Limited Express “ $\mu$ -SKY” (pronounced *Myu-sky*).  
You need to pay extra JPY360 for this train. Runs every 30 min.

Otherwise, all other red-colored trains are also usable.

-The airport station is located in the Access Plaza (from Arrival's Level, walk straight ahead).  
The ticket counter is just in front of the platform.

< Information on your fair payment >

-In Japan, basically you need to purchase tickets for each train company. (As you change to a different train/bus operator, buy another ticket.) Only cash accepted.

-For your convenience, it is recommendable to purchase the IC Card named “*manaca*”, with which you can use all train/bus lines around Nagoya (including JR trains). You just need to deposit some JPY to the card, and touch the ID card reader before boarding/getting off. You can deposit it again anytime, and use this anywhere for the whole duration of your stay in the city.

<https://www.meitetsu.co.jp/eng/ticket-info/manaca.html>

-You may purchase the *manaca* card already at the Meitetsu Chubu Airport Station, or afterwards in the city center (at one of the major stations). You can get your remaining deposit back on your final day at the airport station. Please ask a station staff for assistance.

-The easiest way is to buy the “non-registered *manaca*”, but in case of loss you cannot get your deposit back. For the “registered *manaca*” (re-issuing possible—safer) you will need to write down your name/birth date/phone number on a designated form.
