FROM Tokyo Narita Int'l Airport TO Nagoya City

< Information on your fare payment in Nagoya >

-In Japan, basically you need to purchase tickets for each train company. (As you change to a different train/bus operator, buy another ticket.) Only cash accepted.

-For your convenience, it is recommendable to purchase the IC Card named “*manaca*”, with which you can use all train/bus lines around Nagoya (including JR trains). You just need to deposit some JPY to the card, and touch the ID card reader before boarding/getting off. You can deposit it again anytime, and use this anywhere for the whole duration of your stay in the city.

<https://www.meitetsu.co.jp/eng/ticket-info/manaca.html>

- You may purchase the *manaca* card at some of the main stations in the city, as described on the website above.

You can get your remaining deposit back on your final day at the airport station. Please ask a station staff for assistance.

-The easiest way is to buy the “non-registered *manaca*”, but in case of loss you cannot get your deposit back. For the “registered *manaca*” (re-issuing possible—safer) you will need to write down your name/birth date/phone number on a designated form.
