Shanghai Conference on Representation Theory

FIRST ANNOUNCEMENT

Shanghai conference on representation theroy will be held during the period of December 7 - 11, 2015 in Shanghai. Since 2008, the workshops on representation theory between China and Japan were held in Shanghai every year, basically in December. This conference is an extended version of the past workshops. This time, we have widely invited experts from all over the world, not only in Japan and China. The conference will be held at a hotel in Chongming Island, which is a big island located in the mouth of Yanzi-River.

- **Period :**   December 7 - 11, 2015.

- **Place :**   Chongming Island, Shanghai.

- **Speakers (at present) :**

T. Deshpande (IPMU, Tokyo)
J. Du (U. of New South Wales, Sydney)
Z. Fan (Harbin Engineering U., Harbin)
M. Finkelberg (National Research U., Moscow)
P. Fiebig (U. of Erlangen, Erlangen)
Q. Fu (Tongji U., Shanghai)
M. Geck (U. of Stuttgart, Stuttgart)
J. Hu (Beijing Institute of Technology, Beijing)
O. Iyama (Nagoya U., Nagoya)
T. Ikeda (Okayama U., Okayama)
C. Mautner (U. of California, Riverside)
H. Nakajima (Kyoto U., Kyoto)
K. Nishiyama (Aoyama Gakuin U., Tokyo)
F. Qin (U. Strasbourg, Strasbourg)
Y. Saito (U. of Tokyo, Tokyo)
P. Shan (U. Paris-Sud, Orsay)
L. Song (Shanghai Normal U., Shanghai)
P. Trapa (U. of Utah, Salt Lake City)
D. Yang (Nanjing U., Nanjing)

- **Organizing committee :**

T. Shoji (Chair, Tongji),   S. Ariki (Osaka),   H. Nakajima (Kyoto),
N. Xi (Chinese Academy of Sciences),   H. Rui (ECNU),
Q. Fu (Tongji),   Y. Su (Tongji)

- **Contact :**

T. Shoji : Department of Mathematics
            Tongji University
            shoji@tongji.edu.cn

S. Ariki : Department of Pure and Applied Mathematics
            Graduate School of Information Science and Technology
            Osaka University
            ariki@ist.osaka-u.ac.jp

H. Rui :   Department of Mathematics
            East China Normal University
            hebingrui@gmail.com
